MEETINGS & EVENTS BROCHURE

Welcome to the Webbington Hotel & Spa

The Webbington Hotel and Spa is ideally situated in peaceful countryside to the south of Bristol – one of the most idyllic country hotels in Somerset.

Originally an attractive Edwardian manor, the house and grounds have been developed to create a peaceful and spacious hotel with extensive Leisure Club facilities including swimming pool, gymnasium, sauna, steam room and treatment rooms.

Whatever you are looking to do, it is possible here at one of the finest Somerset hotels. We also offer floodlit tennis courts which are free for all guests staying in the hotel. With good access to major motorways, in particular our hotel is on M5, and within easy reach of local attractions.
